Per a request from the Office of the President, UCLA has created a procedural mechanism by which we may refund a portion of campus-based fees if we determine it is appropriate to do so. As part of that we are issuing an emergency regulation under PACAOS Section 52 and 85. A description is provided below:

EMERGENCY CAMPUS REGULATION UNDER PACAOS 52 and 85:

The UCLA implementing regulation for reducing mandatory campus based fees due to COVID-19 is as follows: refund/reduce all net fees unexpended and unencumbered due to COVID-19 for Spring 2020 quarter under the guidance of the UCOP Office of Budget, Analysis and Planning and the University's retained third-party accounting firm.
